

ARMY HERITAGE CENTER FOUNDATION

The men and women of the U.S. Army sacrifice beyond compare to ensure our cherished freedoms. Therefore, we should recognize and remember their selfless service to our Nation.

With your purchase of a commemorative brick or paver, you are honoring Veterans and, at the same time, supporting the Army Heritage Center Foundation's efforts to promote and develop the U.S. Army Heritage and Education Center.

Each commemorative brick or paver becomes a permanent component of the *Soldiers Walk* leading to the future main entrance of the Hall of the American Soldier.

Recognize a family member, ancestor, or friend by commemorating their service or their support of Soldiers. All

military branches welcome.

When you order a commemorative brick or paver, the Foundation will provide a handsome certificate suitable for framing.
