- Total visitation since opening in 2004 exceeds 2 million.
- Lectures, staff rides, and programs that promoted history education, officership, and Army Professionalism
- Completed the 3rd year of its 5 year digitization plan, including it’s one millionth collection item digitized.
- Provided specialized and focus historical studies to the DA leadership
- Hosted Army conferences and educational programs
- Provided support to U.S. Army War College students

## FOUNDATION 2021 ACTIVITIES

The Army Heritage Center Foundation continued its efforts in 2021 to support the U.S. Army by advancing the development of the U.S. Army Heritage and Education Center (USAHEC); promoting the Center as a major research center and tourist destination; and enhancing its collections, programs, and outreach. In 2021, the Foundation expended \$396,671 to support these objectives.

### BUILD

The capital campaign that will support the future expansion of the Hall of the American Soldier - a 30,000 square foot, \$14 million expansion, continued with limitations due to COVID. Donors' COVID related concerns and travel restrictions limited outreach and in person conversations. The Foundation did, however, in cooperation with the USAHEC staff complete a design update to support refined USAHEC needs within the future facility during the year. The cost of this design update, \$174,718, is reflected in the amount of support provided to the Army.

**PROMOTE** The Foundation's efforts to promote the facility as a tourist destination and as an educational resource continued in 2021. While tourism was still suppressed in response to COVID, as USAHEC reopened, the Foundation kept the public updated through social media posts. At the same time, we used our email updates sent to more than 8,500+ subscribers to highlight events and programs at USAHEC. Finally, we continued to promote USAHEC through Cumberland Valley Visitors Bureau and Hershey Harrisburg Visitors Bureau tourism publications.

We also continued to draw interest in visiting USAHEC through special events and programs. In 2021, the Foundation's Army Birthday program was cancelled due to

COVID restrictions. However, in October 2021, our staff attended and presented a program at the annual AUSA Convention and the Foundation's membership and recognition dinner occurred with a focus on honoring Soldiers of Desert Shield/Desert Storm. The Foundation honored GEN Richard Cody for his leadership of Task Force Normandy and CPT Jose Delgado and SGT Jesus Gonzalez for their efforts planning their unit's air assault into Iraq.

The Foundation's education programs also prompted the use of USAHEC's collections, the study of history, and outreach to students, teachers, and members of the public on a local, regional, and national basis. Through teacher workshops and online programs, the Foundation's educational programs consistently incorporated materials from the collection.

## **ENHANCE**

The Foundation's primary focus, separate from the design update described above, to enhance USAHEC was our continued support in obtaining, assessing, and processing of collection for transfer into the Center's collections. In 2021, the Foundation staff processed more than 135 collections of library and manuscript materials. The value of collections transferred was \$33,214.

Throughout the year, the education program continued to maintain its interaction with Veterans and students. Our partnership with Cumberland Valley High School continued, and in 2021, we paired 10 students and 5 Veterans who participated in the Veterans Oral History Program. These interviews, once processed, were transferred into the USAHEC collections.

To promote the study and use of history, and the use of USAHEC resources, the Foundation again managed the National History Day in Pennsylvania (NHD in PA) program as an online event due to COVID related concerns. Foundation staff working with our partners facilitated regional contests and planned and executed the state contest as a virtual program. The virtual contest at the state level supported 527 students and student teams and resulted in 56 attending the National contest. As a component of National History Day, the staff also continued its quarterly teacher workshop program in 2021 and its efforts to build a collection of Soldier stories on the Foundation's website that are available at no cost to users.

needs.

The Foundation continued to support ROTC cadets' commissioning programs by assisting ROTC programs to meet U.S. Army Cadet Command's requirement for senior Cadet staff rides. The Foundation continued its partnership with selected and specially trained staff ride facilitators at Gettysburg National Military Park. During 2021, the Foundation performed 18 staff rides, supporting 21 university ROTC programs and more than 400 senior cadets. At USAHEC, the Foundation stressed how the newly commissioned officers could access and use the collections to support their unit's

The Veterans' Cafe that in the past brought Veterans of all services and eras together to enjoy a meal together and share stories of service transitioned to virtual events with a focus on adult care facilities.

Other general program services included funds to support public, member, and foundation focused programs. These included expenses of staff time performing research for the general public, presenting lectures and briefings to a variety of groups, newsletters to Foundation members, and special events. The Foundation's Soldier Experience History Summer Camp program continued, and in 2021, 75 campers participated in the program.

Finally, the Foundation's lecture program continued to provide national support through webinars. During 2021, the Foundation hosted 24 lecture programs. More than 1,000 people attended the lectures at the time of their presentation, and more than 9,000 viewed the presentations within six months of their posting on the Foundation's YouTube Channel.

Additionally, the Foundation staff presented online Desert Shield/Desert Storm programs for Pritzker Military Museum and Library, 1<sup>st</sup> Infantry Division Museum at Cantigny, and the Imperial War Museum in Great Britain. In December 2021, the Foundation hosted GEN George Joulwan for a program to commemorate the 30<sup>th</sup> Anniversary of the End Cold War.
