

ARMY HERITAGE CENTER  
FOUNDATION

ROBERT L. AND ROBERT C. RUTH  
FELLOWSHIP APPLICATION

Graduate students in good standing may apply for the annual Ruth Fellowship. One student will be selected to receive a \$1,500 research fellowship to engage in a concentrated 3 week summer research program with the Army Heritage Center Foundation (AHCf) at the U.S. Army Heritage and Education Center (USAHEC) in Carlisle, Pennsylvania. Funding for the award is graciously provided by AHCf Board Member, Christopher Gleason, in memory of and to honor the service of two members of his family.

Applicants are not limited to topics of military history but may apply to work on any topic that can be supported by the USAHEC collection. Applicants are encouraged to consult USAHEC's online catalog and identify resources they would like to utilize for their research and include in their application. Currently, research at USAHEC is by appointment only, so the awardee will need to coordinate with USAHEC staff for an appointment and provide a pull list of materials in advance.

Applications are due to the Foundation by February 28, 2023, for review. Notification will be provided to the recipient by April 15, 2023.

To apply, please submit an application packet containing the following:
