# Foundation 2025 Activities

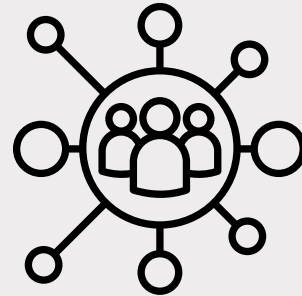

The Army Heritage Center Foundation continued its efforts in 2025 to support the U.S. Army by advancing the development of the U.S. Army Heritage and Education Center (USAHEC); promoting the Center as a major research center and tourist destination; and enhancing its collections, programs, and outreach. In 2025, the Foundation expended \$116,242 to support these objectives.

**Research**

**Tourism**

**Outreach**

2025 was a year of assessing and evaluating operations, programs, and outreach, for new opportunities, adjustments, and or expansion. For these efforts, President Julie Germany was named a Woman of Influence by Central Penn Business Journal and the Foundation was the recipient of Central Penn Business Journal's Empowering Women Award.

## Build

The Foundation finalized a design to enhance the area around the outdoor event pavilion, which will improve access for all patrons, and provide additional outdoor event and programming space. The project is primarily funded through a Pennsylvania Redevelopment Assistance Capital Program (RACP) grant. Construction will begin in Spring 2026.

# Promote

The Foundation's efforts to promote the facility as a tourist destination and as an educational resource continued in 2025. While tourism was still working to rise back to pre-COVID numbers, the Foundation kept the public updated.

We also continued to draw interest in visiting USAHEC through special events and programs. In October, we partnered with the Redstone-Huntsville Chapter of AUSA to host An Evening in Mogadishu - Remembering Black Hawk Down with Veterans of the conflict in Huntsville, Alabama. All proceeds from the event benefitted The U.S. Veterans Memorial Museum in Huntsville.

In June, the Foundation's 250th Army Birthday program and celebration was held featuring stories of soldier service and sacrifice from several time periods.

Our annual membership and recognition dinner occurred in late October where we honored General David Petraeus, USA Ret. with our Living Legend Award. The Foundation also honored Veterans Outreach of Pennsylvania with our Boots on the Ground Award for their tiny home community for veterans in Harrisburg.

# Enhance

The Foundation's primary focus, separate from fundraising for public facilities and programs, to enhance USAHEC was our continued support in obtaining, assessing, and processing of books, manuscript, and archival collections for transfer into the Center's collections. In 2025, the Foundation staff processed more than 115 collections of library and manuscript materials.

In April, we hosted 60 of our donors for a Gettysburg Battle Leadership Ride focusing on the leadership decisions made or not made during the battle and the ramifications of those actions. We toured the Seminary Ridge Museum, stood in the Cupola to see Day 1's battlefield in front of us, and also stopped at the Gettysburg National Military Park Museum & Visitors Center. Licensed Battlefield Guides Dr. Carol Reardon and COL Tom Vossler, USA Ret. served as our experts for the day. They also serve as facilitators for our ROTC program staff ride (which is based on Dr. Reardon's framework).

In 2025, we partnered with the Cumberland Valley Visitors Bureau at travel and tourism events and worked to raise awareness for the Army's 250<sup>th</sup> Birthday and USAHEC's newest exhibit, *This We'll Defend*, featuring 250 years of Army history.

We invited the Visitors Bureau and several history organizations within Cumberland County Tourism to join us in creating Patriots' Path. This web page and app program focuses on 39 locations within the county that have ties to the Revolution, either through activities that took place at the location or the occupant of the home at the time of the Revolution assisted in some way for the cause. We plan to launch the self paced path in summer of 2026.

The Foundation continued to support ROTC cadets' commissioning programs by assisting ROTC programs to meet U.S. Army Cadet Command's requirement for senior Cadet staff rides. The Foundation continued its partnership with selected and specially trained staff ride facilitators at Gettysburg National Military Park.

During the 2025 academic year, the Foundation and our facilitators performed 23 staff rides, supporting 28 university ROTC programs and more than 600 senior cadets. On the cadets' stop at USAHEC, the Foundation stressed how the newly commissioned officers could access and use the collections,

to support their unit's needs. The program also expanded nationally and included admission to the Gettysburg National Military Park Museum and Visitors Center exhibits and movie and the Seminary Ridge Museum.
