

ARMY COMPTROLLERS IN PEACE AND WAR

A Working Bibliography of MHI Sources

CONTENTS

Pre-1948.....p.1
Since 1948.....p.2

PRE-1948

During WWII and the pre-comptroller era, technical advice to commanders on resource management appears to have been provided piecemeal by various staff sections, notably G-1 and G-4, and sometimes a special staff section responsible for fiscal and financial affairs. The Control Division of Army Service Forces performed comptroller-like, managerial functions in the continental United States, while its European Theater counterpart was the Control Division of the Communications Zone. SINCE 1948

The Army Comptroller, a position not established until 1948, initially functioned at the Dept of Army level. Comptroller positions and functions percolated down to command, installation, and theater levels by the mid-60s.
