

SENIOR OFFICER DEBRIEFING REPORTS

VARIOUS COUNTRIES, 1967-73

**Listing & Index
(MHI Holdings Only, U52S47)**

BACKGROUND: The Senior Officer Debriefing Program began in 1963 under the auspices of the Assistant Chief of Staff for Force Development (ACSFOR). High-level cmdrs and other key officers prepared written end- of-tour reports after completing their assignment overseas in various countries, most notable those in Southeast Asia. ACSFOR reviewed the individual reports, then distributed them for action or information. Combat Developments Command (CDC), in particular, further processed the information.

The following list shows author, grade, assignment, time period, pages, and format (HC = Hard copy; MF = Microfiche).

Hardcopies on file in library stacks (U52S47); microfiche filed in Microform Collection (U52S47).

An index follows the listing.
