Mustafa, Sam A. The Long Ride of Major von Schill: A Journey through German History and Memory. NY: Rowman & Littlefield, 2008. 313 p. DD418.6.S33.M87.

This book traces the past 200 years of German history, using an iconic German folk hero, Prussian Major named Ferdinand von **Schill**, who in 1809 led a revolt against the French empire. Though his rebellion was crushed within the month, he became a martyr for German nationalists. The author explores in his book the radical changes in German society and politics in the two centuries since **Schill**'s death.
