NOTE: TEMPORARY EQUIPMENT RECOVERY MISSION (TERM), VIETNAM

TERM=US mission in Vietnam, 1956-60, collateral to MAAGV. Although overtly concerned with the recovery of excess war materiel, TERM served, in effect, as logistical augmentation to US Military Assistance Advisory Group, Vietnam (MAAGV). TERM personnel, equally as numerous as MAAGV's, reorganized and converted the entire South Vietnamese logistical system to conform with US supply and maintenance procedures. See:
