COMBAT TEAMS

A <u>Working</u> Bibliography of MHI Sources

CONTENTS

REGIMENTAL COMBAT TEAM, 1950s

Regimental Combat Team (RCT) = Reinforced infantry operating as a balanced unit of other arms, usually a battalion of artillery, a company of engineers, and a battery of anti- aircraft artillery. The mix can vary with demands of the tactical situation. See:

<u>Dictionary of US Army Terms</u> (<u>Special Regulation 320-5-1</u>, dated Aug 1950)

The theoretical size of an RTC, according to authorized (TOE) strengths:

Infantry Regiment	3,721 personnel
Field Artillery Battalion	621
Engineer Company	165
AAA Battery	146
Total =	4,653
